Appointment & Financial Policies

Appointment Policy

Missed appointments, or those cancelled with less than 48 business hours of the scheduled appointment time, may be charged a \$75 missed-appointment fee

- We believe that we can provide optimal dental care only if we have enough time to thoroughly examine your condition and discuss any treatment options. The same is true for treatment that has been scheduled.
- Your appointment is reserved exclusively for you. If you miss or fail to attend your appointment or cancel at the last moment, we will be unable to care for another patient. If you arrive 10 or more minutes late for your appointment, we may need to reschedule your appointment to allow us to stay on time for our other scheduled patients. This is considered a “missed appointment”.
- If you think that you may be late for your appointment, please call us as soon as possible so that we may advise you if your late arrival can be accommodated, or if we will need to reschedule your appointment and assess a fee. We respect your time as well, and in the event that we have unforeseen issues and will be running late, we will attempt to notify you. This is why we ask for the “best” number/manner to reach you on short notice.
- We realize that there can be circumstances beyond (y)our control and we always take that into consideration.

Appointment Notification Protocol

- Our notification/reminder system will help you confirm upcoming appointments and provide efficient reminders. You may opt-out at any time.
- The information you provide us, such as email and cell phone numbers are a protected part of your health care record. We do not share nor release this information outside of this office. Your privacy is important to us.

Financial Policy

I will pay my full payment or, if insured, my estimated co-insurance to Dr. Larsen at the time of my visit unless other arrangements are made in advance. If I have medical/dental insurance, any difference remaining between the estimated insurance coverage and actual payment made by my insurance will be invoiced (or reimbursed) to me upon completion of insurance processing, typically within 45 days from the date of service.

In the event a balance remains on account more than 45-days after insurance payment, the balance is subject to 1.0% interest monthly, limited to 12% per year. If account is not paid within 90-days of insurance payment, the undersigned will be responsible for legal fees, collection agency fees, interest charges, late fees and any other expenses incurred in collecting past-due account.

I authorize and request my Medical/Dental Benefit Plan (Insurance) to assign benefits to Dr. Larsen and pay the office directly for covered services. My insurance may pay less than the actual bill or estimated portion for services and neither Dr. Larsen nor the insurance carrier can or will guarantee insurance payment amounts in advance.

You may pay for services using cash, personal check, Visa/MC, Discover & American Express. Additionally, we offer CareCredit™ as an alternative for monthly payments if you qualify.
